The Berwyn Police Department has provided notice to the office that on August 3, 2011 Berwyn Police Officer Timothy Keske was found in violation of Berwyn Police Department Rule 14 which prohibits making a false report.

As you are well aware, pursuant to Brady v. Maryland, 373 US 83 (1963), the prosecution's disclosure of exculpatory information is part of the constitutional right to a fair trial. This duty of disclosure also includes evidence that may impeach the credibility of a prosecution witness. Giglio v. United States, 405 U.S. 150, 154 (1972). The Berwyn Police Department's findings fall squarely under the type of disclosure required under Giglio.

If you or any of the assistants that you supervise have a case where Officer Keske is listed as a potential witness on our answer to discovery, the findings of the Berwyn Police Department must be disclosed to the defense prior to trial. The MIS Department is doing a computer search to see whether Officer Keske is a witness on any pending felony cases. Once I have the results of the search, I will forward them to each of you. Please don't call MIS to have another list run. Units that do not have a computer case management system will have to check their files to determine whether Officer Kekse is a witness on any pending felony cases.

If you or the assistants that you supervise have a case where any of the above officers is listed as a witness, please tender to the defense the attached Notice of Disclosure prior to trial. None of the ASAs that you supervise are to file the notice without your prior knowledge and specific approval. An electronic copy of the Notice of Disclosure will be sent to you.

Also please remind your ASAs that the mere fact that this Giglio material is discoverable and has been tendered to the defense does not in and of itself mean that the defense can introduce the evidence at trial or cross-examine any of the officers on the material. The ASAs should, in the appropriate cases, file all necessary motions to preclude the use of the Giglio material at trial.

The case law in this area is, of course, set out in United States v. Brady, 373 U.S. 83 (1963) and Giglio v. United States, 405 U.S. 150 (1972). The timing of disclosure is governed by Weatherford v. Bursey, 429 U.S. 545 (1977). What needs to be disclosed is discussed in United States v. Agurs, 427 U.S. 97 (1976); United States v. Diaz, 922 F.2d (2nd Cir. 1990); United States v. Veras, 51 F.3d 1365 (7th Cir. 1995) and United States v. Kiszewski, 877 F.2d 210 (2nd Cir. 1989). Limiting the use of this type of information is discussed in People v. Driskell, 213 Ill.App.3d 196 (4th Dist. 1991) and People v. Fonza, 217 Ill.App.3d 883, 892 (1st Dist. 1991).

If you or your ASAs have any questions, please call me. Thank you.
